	<ul style="list-style-type: none">• Utility• Van• Work vehicles• Restricted motorcycle• Tractor <p>The Road Safety Levy is to be paid for each vehicle registered, regardless of the operator.</p> <p>The Road Safety Levy is shown as a separate item on your registration notice and is calculated for the period of a vehicle's registration (either six or 12 months).</p> <p>A concessional rate will apply to those people who are eligible to receive a concession on their vehicle registration.</p>
Q	Why do we have a Road Safety Levy?
A	The Road Safety Levy ensures a dedicated source of funding for priority road safety initiatives. It provides the ability to implement initiatives as outlined in the Towards Zero Strategy and the <i>Towards Zero Action Plan 2017-2019</i> (Action Plan 2017-2019) and to continue the installation of important infrastructure safety treatments. The Towards Zero Strategy can be downloaded from www.transport.tas.gov.au or www.towardszero.tas.gov.au .
Q	What is the Road Safety Levy used for?
A	Currently around 300 people are serious injured or killed on Tasmanian roads each year. Funding from the Road Safety Levy will be used to make significant changes to the road environment and to road user safety, vehicle safety and travel speeds, leading to reductions in the number of serious injuries and deaths on Tasmanian roads as a result of road trauma.
	Improving road safety has benefits for the whole community and individuals.
